

**PEST CONTROL  
AUSTRALIA**

*EST. 1980*

## **FRANCHISE OPPORTUNITY**

Build your own business  
to suit your lifestyle

**Pest Control Australia** is a well-established brand within the termite and pest control industry.

**Join our team** of like-minded franchisees as a business partner.

**Our proven and successful marketing tactics** will help you build your own business.

**We do most of the backend management** so that you can concentrate on delivering a first-class service.

Experience within the pest control industry is not necessary –  
**we will train you.**

# PEST CONTROL AUSTRALIA

## Our Mission and Values

To create a network of nationwide business partners that seek to uphold the same values and quality service that our Brand has become renowned for since 1980.

Never one to rest on our laurels, we are innovative and strive for continuous improvement moving quickly to adapt our processes, technology, and business to benefit in an ever-changing market.

## Product Supply

We have developed strong relations with our preferred suppliers, and this enables excellent buying opportunities on quality products that will benefit your business.

## Systems and Support

Support is key to the success for our franchise partners, and this includes helping with much of the back-end and administrative work, leaving you to concentrate on delivering great customer service and a first-class product.
